ANYTIME, ANYWHERE

Teladoc does not replace your primary care physician. It is a convenient and affordable option that allows you to talk to a doctor who can diagnose, recommend treatment and prescribe medication, when appropriate, for many of your medical issues.

EXPERIENCE YOU CAN TRUST

Teladoc doctors are U.S. board-certified, licensed in your state and average 15 years of practice experience. With your consent, Teladoc will provide information about your consult to your primary care physician.
